

12 Month Early Purchase Option

Looking for more flexibility? With Clicklease you can purchase the equipment outright anytime within the first year.

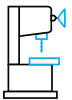

It's simple, any time during the first 12 months, you pay the original invoice amount plus monthly payments made and the equipment is yours. (See example to the right)

Of course, You can always purchase or return the equipment at the end of the lease.

Customer Benefits:

Allows you to get the equipment you need today.

The sooner you purchase the equipment the more you save.

Provides flexibility for the ever-changing needs of your business.

"Let's say you wish to purchase outright after 5 months:"

Invoice amount: \$10,000

Lease terms: 60 monthly payments of \$275

Total amount paid:

5 Payments (\$275) = \$1,375 + taxes

Invoice amount (\$10,000)

= \$11,375 + taxes
