

# Website Buttons

When customers know what monthly payment they can afford, they close deals faster and invest more. Whether customers apply on your website or visit your storefront, make it clear that you have payment options to make your equipment affordable.

## Clicklease makes it easy:

1. Submit the button request form at [insert website URL]
2. We'll create a custom script to plug in to your site.

**3a. We'll send you the script  
for your dev team to install**

OR

**3b. Send us your login  
credentials and we'll install  
buttons right away.**
